

Accommodations

Pinecrest accommodates individuals or groups of up to 138 in any of four lodging areas. Situated in clusters of cabins, each area is designed for individual comfort and rest.

The Village:

Two buildings with four guestrooms each. Guestrooms accommodate up to 6 people in singles or bunks. In-room bathrooms. One handicapped accessible guestroom in each building.

Central Cabins:

Four buildings with two guestrooms each. Rooms accommodate up to 7 people in single beds. These rustic cabins have full bathrooms in each room.

West Area Cabins:

Available in November 2005, these two buildings with 4 guestrooms each are designed for 2-3 people each with one queen and one single bed in each room. A common meeting room is offered in each cabin.

Lodge Rooms:

Two guestrooms accommodating up to 8 people in bunk beds. These rooms, which open onto a meeting/dining space, have refrigerators and attached toilet & sink with showers down the hall.

All guestrooms are air conditioned and heated.
